

### *Cottage Gets Second Story*

Construction has been underway for several weeks at a cottage on Centre Harbor Neck in Squam Lake where the major motion picture "On Golden Pond" will be made this summer. The extensive renovation has included adding a second floor to part of the struc-

ture. Stars Henry Fonda, Katharine Hepburn and Jane Fonda will play key roles. Rehearsals are scheduled to begin Monday with filming starting on July 21. The shore house is owned by Thomas Chalmers and has been leased for the season.
